Through the power of truth of the three jewels, infallible sources of refuge, and through the dakinis of the three abodes and the mamos and Mahakala protectors together with their siblings—may our aspiration be swiftly accomplished without impediment that we may rapidly encounter your supreme reincarnation.

Katog Moktsa Rinpoche Jikdral Lodrö Tenpay Gyaltzen Choklay Namgyal, supreme master of resplendent qualities, has temporarily dissolved his form emanation in order to reverse grasping to impermanence of those to be guided. The holders of the tradition of the glorious Katog Lineage have said that we need a supplication for his reincarnation to return quickly. As they hold great hopes, in order to fulfill their request, I, Sangyey Tsering² have respectfully composed this brief prayer for swift return. May this supplication be accomplished just as it is.
